

Principal's Update – November 7 , 2023

- The Good Start Breakfast Program has started – It has been VERY popular with students and we are averaging 60 – 70 breakfasts each morning
- Our Final Soctober total was 2413. This accomplishment was celebrated at our Colour house assembly on Friday. The theme of the assembly was perseverance and many students were acknowledged for the perseverance they have demonstrated so far this year.
- The skating rink proposal is being taken to exec. where they will discuss liability concerns, so we should know next week if this will be possible.
- Progress Reports will be coming home on November 17
- The Fresh From the Farm fundraising pick up date will be November 22nd from 1:00 – 4:00
- Question – Is it preferred that the lost and found is donated prior to November 18th or after?
- Question – What is the best format/time for delivering the weekly S'more
- Our Grade 6/7 class is preparing the Remembrance Day assembly for Thursday. Family members are welcome to attend and should arrive roughly 10 minutes before 10 in order to be seated.
- EQAO Data has been released and is published on the EQAO website for all schools

Achievement Results

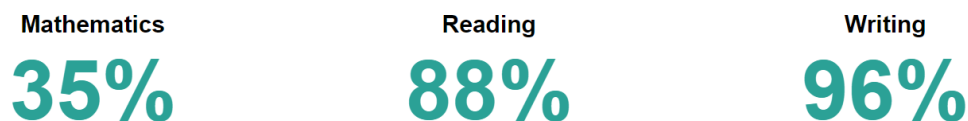

Percentage of Fully Participating Students at or Above the Provincial Standard (Levels 3 and 4) for the 2022–2023 school year

These results are similar to the Board in math but slightly below the board average in reading and writing

Achievement Results

Percentage of Fully Participating Students at or Above the Provincial Standard (Levels 3 and 4) for the 2022–2023 school year

These results are higher than the board average in all areas (especially in reading and writing)

- At the upcoming PA our school will be developing our “Student Achievement Plan” which we will use a road map for improving our teaching to improve student learning and academic performance.
