

Principal's Update – April 22, 2024

Since our last meeting...

- The Bath Food Program continues to run strong thanks to our dedicated volunteers and the generous support of our community. We recently received donations from - President's Choice Grant, two community groups, the Lionesses and the fire fighters association. In total, we have now received just over \$19 000 to put toward next year!!! A huge shout out to Mistene Clapp for her leadership in this area.
- The Scholastic Book Fair was a big success. Teachers will be using proceeds to buy books for the library and classrooms.
- Card Box Pizza Party is booked for Wednesday. The total is \$82.50 – Thank you!
- Jr. basketball and running club are underway. Basketball season tournaments are taking place May 9th. The LCVI Road Race is on May 1st.
- May 15th is our volunteer breakfast.
- Teacher appreciation day is Tuesday, May 7th. Would School Council consider putting something together?
- EQAO testing will take place May 27 - 30
- Astronomy in Action is booked for June 14th!

We have a few items that we are hopeful School Council will consider providing:

1. Ten Chromebooks for small student learning groups and for additional students or to replace as needed. The cost is \$373 per device x 10= \$3730
2. Fridge - Better prices may be possible, and used would work if it is in good shape, but here is a fridge quote from Lowes:

The screenshot shows a product listing for an LG refrigerator. On the left is a large image of the refrigerator with a heart icon and a right arrow. Below the main image are several smaller thumbnail images showing different views and features, with a '+11' indicator. To the right of the image, the text reads: 'Sponsored', 'LG', '20.2-cu ft Top-Freezer Refrigerator (White) ENERGY STAR', and a star rating of 4.5 with 5578 reviews. Below this are three color swatches (white, grey, black) and a list of bullet points: 'Store more with 20 cu ft capacity, fits in same space of traditional 18 cu ft', 'LED panels located on the side of the refrigerator provide an exceptionally bright interior and saves energy over traditional...', and 'Optional Ice Maker is available - Model # LK65C'. To the right of the product details, the price is listed as '\$649.00' with a crossed-out original price of '\$777.00', indicating a 'Save \$128.00' that 'Ends Apr 17'. Below the price are links for 'Rebates Available', a green banner for 'BUY MORE, SAVE MORE', a 'Pickup' section stating 'Ready by Fri, Apr 19 (Est.) at FT. Gratiot Lowe's', and a 'FAST Delivery' section with a price of 'to 48059' and a delivery date of 'Get it by Sat, Apr 13'. At the bottom right is a quantity selector showing '1' with minus and plus buttons, and the label 'Qty.' below it.

\$716.94 with tax and delivery.

3. Consumable outdoor sports items - \$500 per division =\$1500

Usually the best prices come up throughout the spring in sales from Canadian tire, Home Hardware, Sports Check etc. Each division prefers different items (i.e., sand toys for K – 3, foot balls in intermediate) this is why I haven't been too specific, but if we need to pre-select items more specifically we can.

4.Track Ribbons

Dear School Council Members,

We are writing to request your support for our annual track and field event for students in grades 4-8. This day is not only fun, but an important part of our school's physical education program, promoting physical fitness and teaching valuable skills such as discipline, teamwork, and perseverance. Many students look forward to this day all year long.

To recognize our students' efforts and accomplishments on this day, we like to award ribbons for 1st through 6th place for each event. These ribbons serve as a tangible symbol of their hard work and dedication, fostering a sense of pride and motivation among our students.

As the cost of these ribbons has increased over the last few years we need your help to continue to provide them to students. We have looked at a variety of suppliers including local trophy stores and online retailers. Prices range from \$0.54 (Amazon)- \$1.50 (local supplier) per ribbon. As we need roughly 265 ribbons per year, Amazon seems to be the most economical option. We are requesting a purchase of 300 ribbons for \$162, however, as you can see on the attached image the price per ribbon decreases to about \$0.50 if we buy 600 ribbons which would be enough for 2 years.

Thank you for your time and consideration. Your contribution will directly benefit our students and enhance their overall experience in track and field.

Sincerely,

M Sparrow & J Morrissey
